

# ANNA K. HOCHGRAF

Department of Human Development and Family Science ♦ Purdue University ♦ 1202 Mitch Daniels Boulevard ♦ West Lafayette, IN ♦ [ahochgra@purdue.edu](mailto:ahochgra@purdue.edu)

## PROFESSIONAL POSITIONS

|   |                              |
|---|------------------------------|
| <b>Postdoctoral Research Associate</b><br>Department of Human Development and Family Science<br>Purdue University<br>Supervisor: Dr. Kimberly Updegraff | <b>August 2025 - Present</b> |
|---|------------------------------|

## EDUCATION

|   |                                |
|---|--------------------------------|
| <b>Postdoctoral Fellow</b><br>Research on Eating and Activity for Community Health (REACH) Applied Epidemiology T32<br>School of Public Health, The University of Minnesota<br>Mentors: Dr. Katie Loth, Dr. Dianne Neumark-Sztainer, Dr. Jerica Berge | <b>August 2022 – July 2025</b> |
|---|--------------------------------|

|  |  |
|--|--|
| <b>Ph.D., Human Development and Family Studies</b><br><b>M.S., Human Development and Family Studies</b><br>The Pennsylvania State University<br>Advisor: Dr. Susan M. McHale<br>Concentrations: Family Studies, Prevention and Intervention<br>Dissertation: Comorbidity Between Body Dissatisfaction and Substance Use: A Daily Diary Study of Alcohol, Nicotine Vaping, and Cigarette Use Among Young Adults | <b>June 2022</b><br><b>December 2017</b> |
|--|--|

|  |                 |
|--|-----------------|
| <b>B.A., Psychology (major) and Public Health (minor)</b><br>Overall GPA: 4.0/4.0<br>Summa Cum Laude, Psychology Honors<br>The College of William and Mary<br>Honors Advisor: Dr. Meghan M. Sinton | <b>May 2014</b> |
|--|-----------------|

## HONORS AND AWARDS

|   |                                |
|---|--------------------------------|
| Early Career Prevention Network Travel Award, Society for Prevention Research | <b>April 2024</b>              |
| Science Communication Scholarship, Stories of Science                         | <b>January 2024</b>            |
| Early Career Prevention Network Travel Award, Society for Prevention Research | <b>April 2023</b>              |
| Edna Bennett Pierce Prevention Research Center Peterson Graduate Fellowship   | <b>May 2021</b>                |
| Best Research Article, Society for the Study of Emerging Adulthood            | <b>September 2019</b>          |
| Early Career Prevention Network Travel Award, Society for Prevention Research | <b>May 2019</b>                |
| Health and Human Development College Endowment Award                          | <b>December 2017</b>           |
| College of Health and Human Development Grant Writing Scholarship             | <b>August 2017</b>             |
| Stanley B. Williams Award for Outstanding Psychology Major                    | <b>April 2014</b>              |
| Phi Beta Kappa Society, Alpha Chapter of Virginia                             | <b>December 2013 - Present</b> |

Psi Chi International Honor Society  
Alpha Lambda Delta Honor Society  
Phi Eta Sigma Honor Society  
Recognized by the Math Department for outstanding performance

**March 2012**  
**April 2011**  
**April 2011**  
**December 2010**

## **RESEARCH FELLOWSHIPS AND FUNDING**

---

Research on Eating and Activity for Community Health Fellowship      **August 2022 - July 2025**  
National Heart, Lung, and Blood Institute (T32 HL150452; Role: Postdoctoral Fellow)

Ruth L. Kirschstein National Research Service Award      **August 2020 - June 2022**  
National Institute on Drug Abuse (F31 DA051118; Role: PI; \$72,888)

Hintz Graduate Education Enhancement Fellowship (\$3,834)      **February 2020**

Wohlwill Award (\$291)      **February 2020**

Prevention and Methodology Training Program Fellowship      **September 2018 - June 2020**  
National Institute on Drug Abuse (T32 DA017629; Role: Predoctoral Fellow; \$51,140)

Translational Science Fellowship, Penn State CTSI      **June - August 2018**  
National Center for Advancing Translational Sciences (TL1 TR002016; Role: Predoctoral Fellow; \$5,961)

Pennsylvania State University Graduate Fellowship (\$54,000)      **August 2016 - May 2018**

Honors Research Fellowship      **May 2013 - May 2014**  
The Charles Center, The College of William and Mary (\$2,500)

Research Stipend, Department of Psychology, Yale University (\$3,000)      **June - August 2012**

| Data Analyst, <i>INSIGHT/SIBSIGHT Studies</i> (R01)   | <b>May 2018 - August 2021</b>      |
| <b>Family Relationships Project, Pennsylvania State University</b> (PI: Susan McHale)   |                                    |
| Graduate Research Assistant (multiple R01's)  | <b>August 2016 - July 2022</b>     |
| <b>JK Lifespan Development Lab, Virginia Tech</b> (PI: Jungmeen Kim-Spoon)  |                                    |
| Research Coordinator, <i>Adolescent Brain Study</i> (R01)   | <b>June 2015 - July 2016</b>       |
| Research Assistant, <i>Adolescent Brain Study</i> (R01)   | <b>June 2014 - June 2015</b>       |
| <b>The Skinny on Regulating Media Images to Prevent Eating Disorders, The College of William and Mary</b> (PI: Anna Hochgraf) |                                    |
| Psychology Honors Fellow  | <b>May 2013 - April 2014</b>       |
| <b>Cognition and Development Lab, Yale University</b> (PIs: Frank Keil & Kristi Lockhart)                                     |                                    |
| Undergraduate Research Assistant/Summer Intern  | <b>June 2012 - August 2012</b>     |
| <b>Psychology Department, The College of William and Mary</b> (PI: Meghan Sinton)   |                                    |
| Undergraduate Research Assistant, <i>Reflections Body Image Program</i>   | <b>August 2011 - May 2013</b>      |
| <b>Department of Counselor Education, Radford University</b> (PI: Wendy Eckenrod-Green)                                       |                                    |
| Undergraduate Research Assistant  | <b>May 2011 - August 2011</b>      |

## TEACHING EXPERIENCE

---

### **Instructor of Record, Purdue University**

*Stress and Coping in Contemporary Families (HDFS 332)*

**Spring 2026**

### **Guest Lectures, The Pennsylvania State University**

*Eating and Weight Disorders (NUTR 410)*

**September 2024**

**September 2023**

**September 2020**

*Adolescence (HDFS 239)*

**November 2018**

*Resolving Human Development and Family Problems (HDFS 414)*

**April 2018**

### **Graduate Teaching Assistant, The Pennsylvania State University**

*Resolving Human Development and Family Problems (HDFS 414)*

**Spring 2018**

Proctored exams and graded assignments

*Empirical Inquiry in Human Development (HDFS 312, HDFS 312L)*

**Fall 2017**

Taught a quantitative research methods lab

Proctored exams and graded assignments

### **Undergraduate Teaching Assistant and Peer Advisor, The College of William and Mary**

Peer Advising Program

**Summer 2012 - Spring 2014**

Guided incoming freshmen and transfer students through the process of selecting classes

Taught an online class for freshmen and transfer students

### **Tutor, The College of William and Mary**

Tribe TutorZone

**Summer 2013 - Spring 2014**

*Statistics, Cognitive Psychology, Research Methods, Social Psychology, Sensation and Perception, Public Health, Epidemiology*

### **Professional Development Related to Teaching**

*Office for Equity and Diversity, The University of Minnesota*

**April 2024**

My Role in Equity and Diversity Work

Addressing Bias and Microaggressions

Navigating Challenging Conversations

Race, Racism, and White Supremacy

Gender, Gender Identity, and Sexuality

Understanding and Addressing Gender-Based Oppression

Ableism and Disability Justice

Challenging Classism

Removing Barriers and Creating Access

Religious and Spiritual Identities

## **PROFESSIONAL MEMBERSHIPS**

---

Society for Research in Child Development

Society for Research on Adolescence

Society for Prevention Research

---

## **CERTIFICATIONS**

---

Equity and Diversity Certificate Program (*University of Minnesota*)

Graduate Student Online Teaching Certificate (*Penn State World Campus*)

CITI Training

NIH Clinical Research Training

REDCap Training

Eating Disorder Examination Training (*led by Dr. Marion Tanofsky-Kraff*)

Certified fMRI operator (*conferred by Virginia Tech Carilion Research Institute*)

MRI Safety Training (*conferred by Virginia Tech Carilion Research Institute and Penn State*)

Peer Leader Training for *Reflections: Body Image Project*

---

## **TECHNICAL SKILLS**

---

Data analysis in SAS, R Studio, Mplus (including but not limited to: multilevel modeling, time-varying effect modeling, multilevel structural equation modeling, latent class analysis, actor-partner interdependence modeling, regression)

Data management

Grant writing

Study design

Participant recruitment and retention

Data collection (interviews, surveys, neurocognitive and behavioral tasks, fMRI)

Online survey design and administration (Qualtrics Survey Software, REDCap, SurveyMonkey)

Data entry software (Remark Office OMR software)

Institutional Review Board Protocol Development and Management

MRI operation (Siemens 4T scanner)
